

In this issue...

'Bob's Favorite', a cross by Bob Rhodes, is one of the Vancouver Island hybrids Alan Campbell discusses on page 69.

Don Voss creates a provisional key for dealing with the taxonomically troublesome *Ledum* on page 99.

John Hammond and Gordon Wylie update the work at the O. Howard Hinsdale Garden, Spruce Reach Island near Reedsport, Oregon, on page 106.

'Night Music' is one of nine newly registered names for crosses by Jim Barlup. Page 115.
