You have been a member of the Danish Rhododendron Society and the Danish ARS Chapter for many years. You have served as treasurer for the Society and the Chapter. As the Treasurer, you have kept a keen eye on the member list and reported about member movement to the ARS. You have also served on the Danish Rhododendron Society Board for more than 20 years.

From your small rhododendron nursery you have encouraged many newcomers to the Danish Rhododendron Society and to the Danish ARS Chapter. You have also taught others how to breed and propagate rhododendrons.

In honour of your great work as the cornerstone and treasurer to the Danish Rhododendron Society and the Danish ARS Chapter, the American Rhododendron Society is pleased to award the Silver Medal to Henning Christensen.
